Working for a Brighton College school

Brighton College schools are fantastic places to work. Brighton College is the leading co-educational school in the UK and was named 'UK School of the Decade' by *The Sunday Times* in November 2020.

Established in 1845, the College has grown exponentially since 2006 when Richard Cairns became Head Master. Since then we have moved from 147th in *The Sunday Times* results table, to 3rd – the best position ever achieved by a co-ed school. All Brighton College schools are renowned for their excellent academic results and innovative approaches, whilst placing kindness and community at the heart of their approach to education.

We take great pride in recruiting only the very best teachers to Brighton College. We know that outstanding teachers change lives. Teaching at all levels at Brighton is characterised by passion, academic rigour and innovation, with teachers taking an active rôle in designing and delivering our bespoke version of the English National Curriculum.

The Brighton College Family of Schools includes our three Prep Schools in the UK and five current international campuses, with our sixth site opening in Hanoi, Vietnam, in August 2023. In total, over 6,700 pupils are educated in Brighton College schools around the world. Working at a Brighton College school means having a base in one of seven exciting cosmopolitan cities - Brighton, Bangkok, Dubai, Al Ain, Abu Dhabi, Singapore and Hanoi.

This international network provides teachers and school leaders with the potential to make fruitful connections, and brings a range of opportunities for career progression and promotion. In addition, staff at Brighton schools frequently share best practice and benefit from CPD across the whole group.

Most importantly, Brighton College schools are happy places. Staff and pupils feel fulfilled, and our emphasis on kindness fosters a thriving intellectual, sporting and performing arts culture. We hope you will enjoy this opportunity to join a fantastic group of professionals working across our family of schools.
